QUESTIONS and ANSWERS
10/19/2016**

Q48: In an effort to provide optional recordkeeping pricing can you please provide us with the number of users broken out by contract holders, state employees and the category/role of the state employee as it relates to the use of system.

A48: Here are the details:

Number of Prepaid Account (contracts): 31,499*

Number of Prepaid Trust State employees who use the recordkeeping system: 17

Account transaction processing users: 6

Account maintenance processing users and viewers of information: 9

IT network administrators: 2

*contract holders may have multiple contracts, so the full contract number has been provided
